ROMY GOLDMAN

FOUNDER

GOLD DEVELOPMENT LLC

Romy Goldman founded Gold Development LLC in 1999 to develop and manage premiere residential and commercial properties. She has over

14 years of experience in real estate development and construction management and has worked throughout the United States with such firms as L&M Equity Participants, Ltd., Telesis Corporation, Goldman,

Sachs & Co., France Telecom and Joie de Vivre Hospitality. Before starting Gold Development, Goldman spent four years as the senior project manager at IN:SITE Design Build Associates and, prior to that, she worked for the Shorenstein Company's Bank of America Division. She spent three years developing and managing affordable housing developments for Telesis Corporation in Washington, D.C. and the Atlanta Neighborhood Development Partnership (ANDP). She received a Bachelor of Arts from the University of Pennsylvania with a major in International Relations and continued her studies in Real Estate Development at the University of California at Berkeley. Gold Development is currently developing 48 Bond Street in partnership with Donald Capoccia. The company recently completed Hamilton Parc and is in the planning stages for the Davis at Riverside.
